Dear Mr. Hendrickson:

I am writing to sincerely congratulate you on the occasion of CPAC Inc. celebrating it's 35th Anniversary this year.

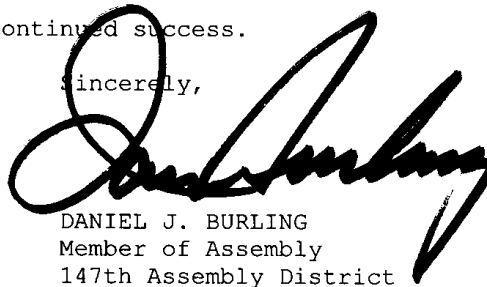

The state of New York, Livingston County and the Town of Leicester have been most fortunate to have had CPAC Inc. as a resident company for so many years.

I commend you on your past successes and vision for the future. It is no easy task to keep a business successful for over three decades. You have weathered uncertain economic times well and should be credited with your dedication and hard work.

Again, I congratulate you on CPAC's 35th Anniversary in business and wish you continued prosperity as you guide the company into the 21st Century.

Best wishes on your continued success.

Sincerely,
